TUITION FEES & CHARGES - Additional Information

Tuition Fees

Tuition fees cover most core curriculum expenses but do not include uniforms, stationery (Secondary) or combination locks (Secondary). Additional non-curricular (non-compulsory) excursions, camps and/or other subject related charges will be calculated on an individual basis and shown separately on your fee statement.
The College will provide prior notice and seek parental approval prior to the non-compulsory additional costs being placed on your accounts. Examples are: Co-curricular sport, Music Camp, Music Instrument Lessons/Hire, and Leadership Excursions/Camps.

General Purpose Levy

The General Purpose levy covers all other compulsory curriculum expenses including the Year 3 and 5 Band and String immersion, the 1:1 laptop program including subsidised software, support and infrastructure charges, the 1:1 iPad program in Years 3 to 6, and most compulsory excursions & camps. Additional costs may be incurred depending on camp selection. The Year 6 Canberra Trip and Year 9 Connections trips are compulsory, and the cost for these are included in the correlating General Purpose Levy.

Subject Levy

VET Course charges are per course, not per annum.

Textbook Levy

The College offers a Book Hire Program for all the textbooks required by Secondary Students. A book hire charge is placed on your account each term. This charge is subsidised by the State Government's Textbook Allowance Scheme. The Textbook Policy and a Care & Responsibility Agreement is issued at the commencement of each year. Students must return the agreement to be issued the required books for the coming year.

Sibling Discount

A sibling discount of 5% will be offered for the second student and 10% for the third and subsequent students in a family attending the College at the same time and will only be offered to students not in receipt of any other concession. This discount is applicable to tuition fees only.

Discount for Annual Fee Payment

A 4% discount on Tuition Fees and Compulsory Levies is available if the total sum is paid in full, prior to 15 January 2027. Please contact the Finance Office on 5471 5539 to arrange for an Annual Fee Payment calculation and to ensure your calculation is processed prior to the cut-off date. ***Please Note: Payment must be received prior to the cut-off date to enable discount to be processed.***

Finance Policy

Accounts are due as per the dates below. A non-refundable late payment fee of $100 will be charged if your account has not been paid by the due date. Students will be unable to attend non-compulsory (co-curricular) activities if school fees are unpaid. This includes overseas trips, instrumental music lessons, excursions, valedictory/formal events etc.

Due Dates School Fees

College fees are invoiced four times per year, prior to the start of each term. Payment dates for 2027 are as follows:

Term One:	27/01/2027	Term Three:	13/07/2027
Term Two:	13/04/2027	Term Four:	5/10/2027

The College's preferred method of payment is via B-Pay. PaySmart is a direct debit system which allows weekly or fortnightly payments to be debited from your nominated account. **Note: This is the only payment plan option offered by the College.**

Withdrawing a student from the College (Termination of Enrolment)

A College term's written notice to the Principal is required if you choose to remove a student from the College. One term's tuition fee per student will be retained/charged in lieu of notice.

Absence during a Census period

If a student is absent during a Census reference period and this results in the College losing Government funding, you may be billed for loss of funds. Please contact the Enrolments Office for further information.
