

Our Strategic Intent

Based on our Christian foundation in the Anglican tradition, we leverage the College's positive energy, and supportive and engaged community to enable our students to move confidently into their futures.

Our Value Statements

To build Personal Capacity, St Andrew's....

Encourages **Learning**

through our energetic staff,
global perspectives
and innovative thinking

Creates **Opportunities**

that develop the individual,
embed Christ-like action
and promote personal best

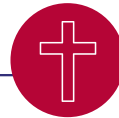

Builds **Connections**

for respectful relationships,
community engagement
and service to others

We focus on **KNOWLEDGE AND LEARNING** *to enable*

- An ongoing commitment to the learning of foundational knowledge and skills.
- A culture of curiosity, independence, and learner agency.
- Critical and creative thinking to solve real-world challenges.
- A balanced approach to leveraging technology.
- A broadened global perspective and key competencies.
- Unique learning pathways for each individual.

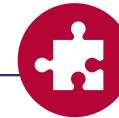

We encourage **FAITH AND SERVICE** *to enable*

- An understanding of the Christian faith and its historical and continued relevance.
- Compassion, humility and a genuine desire to serve others.
- An authentic picture of what Christianity in action looks like.
- Opportunities for service and experiential learning.
- Advocacy and global citizenship.
- An active Church community that connects with the College and beyond.

We focus on **PERSONAL CAPACITY** *to enable students and staff to build*

- Strength of character and the courage and conviction to make wise and just choices.
- Self-awareness and relationship skills.
- Vision and the ability to set and achieve goals.
- The ability to recognise and take up opportunities.
- Inter-cultural and ethical understanding.
- Understanding, reflection and articulation of personal skills, strengths and passions.

We develop a strong sense of **COMMUNITY CONNECTEDNESS** *through*

- Our inclusive, welcoming community.
- Shared vision and purpose between students, staff and parents.
- The respect shown to each other and our surrounds.
- Relationships and opportunities that foster a sense of belonging to the College.
- Strategic partnerships with like-minded organisations.
- Continued engagement of our alumni.

We commit to **ENVISIONING AND RESOURCING OUR FUTURE** *through*

- Ensuring the College is an employer of choice.
- Actively engaged staff who embrace and embody our vision and values.
- Leaders equipped to coach and inspire others.
- Appropriate and effective Governance and Management.
- Research and innovative thinking.
- Resources and a built environment that are flexible and sustainable.
